address: Hoża 86/410
00-682 Warsaw, Poland

Profile

I am a full-stack developer with over 10 years of experience across diverse technologies and programming languages, including C# .NET Framework, Java, Ruby on Rails, React.js, and Node.js. I thrive on building impactful solutions and have contributed to a range of companies, leveraging my technical skills to drive project success. I work on a Mac and enjoy the flexibility and power of UNIX/Linux systems. In addition to natively speaking in English and Polish, I'm currently advancing in Spanish to broaden my communication abilities.

Experience

Sofomo 2024-present	<ul style="list-style-type: none">- analyzing the requirements- developing serverless api- working with PostgreSQL- working with AWS CDK- writing unit tests	<ul style="list-style-type: none">- planning & estimating tasks- developing AWS Lambdas- working with TypeScript- working with AWS services
LSEG (London Stock Exchange Group) 2022-2024	<ul style="list-style-type: none">- analyzing the requirements- developing Node.js web apis- developing React.js applications- working with MySQL- working with gitlab CI/CD- writing unit and playwright e2e tests	<ul style="list-style-type: none">- planning & estimating tasks- developing JAVA web apis- developing ms vscode extensions- working with TypeScript- working with AWS services
Incentive Games 2022-2022	<ul style="list-style-type: none">- analyzing the requirements- developing Node.js web apis- working with PostgreSQL- working with AWS services	<ul style="list-style-type: none">- planning & estimating tasks- developing React.js applications- working with TypeScript- writing unit tests
Geo.me Solutions 2017-2022	<ul style="list-style-type: none">- analyzing the requirements- developing Ruby on Rails web applications- developing React.js applications- working with PostgreSQL- writing unit, feature and cucumber tests	<ul style="list-style-type: none">- planning & estimating tasks- developing Ruby on Rails web apis- developing AWS Lambdas- working with AWS services

Education

Wroclaw University of Technology 2011	<ul style="list-style-type: none">- Faculty of Computer Science and Management, Computer Science, Bachelor's Degree
---	---

Skills

Programming languages	<ul style="list-style-type: none">- Java, C#, SQL, Ruby on Rails, JavaScript, TypeScript
