Profile

I am a full-stack developer with over 10 years of experience across diverse technologies and programming languages, including C# .NET Framework, Java, Ruby on Rails, React.js, and Node.js. I thrive on building impactful solutions and have contributed to a range of companies, leveraging my technical skills to drive project success. I work on a Mac and enjoy the flexibility and power of UNIX/Linux systems. In addition to natively speaking in English and Polish, I'm currently advancing in Spanish to broaden my communication abilities.
